"Since commencing coaching with Lorraine my business has really taken off. In the short time that we've been working together I have hired 4 staff, increased my equipment and facilities and most importantly, my profits. Lorraine is brilliant at reigning in my tendency to go chasing after the new and exciting and making sure that the here and now is all working as well as it can. She keeps me on track and makes sure that the systems for growth are in place before I charge into new ventures. I believe that Lorraine is the coach to call if you want to take your business to the next level of success."
take your business to the next level of success."

'Anyone wanting to get focus and more results from their business must attend this seminar. Most people are 'busy being busy' and not concentrating on making money, which is the reason they got into business in the first place.
Kirk Simpson, Lucra Property Group

Lorraine's seminar presents powerful strategies to organize your business and your life. I highly recommend it.

Lorraine's most popular and requested presentation:

"How to Have a Profitable Business and a Rewarding Life Without Dying in the Process!": the proven Productivity and Profit System

Do you want to grow your business exponentially but don't but don't know where to start? Are you spending too much time in overwhelm and not and not enough in your own life? Do you wish your marketing would attract more clients than it does now? Do you wish YOU ran your business as opposed to IT running it running you? Is it time for you to finally begin making a lot more money than you're making now?

Many small business owners are very good at what they do, but haven't mastered the skills of running their business effectively so they reap the rewards of having more time, money and freedom. Lorraine Pirihi of The Productivity Queen developed The Productivity and Profit System to teach others how to work less and earn more.

At this powerful seminar, you will learn to:

- Find that free time you've been looking for
- Get the RIGHT team in place once and for all
- Master the skill of productive marketing
- Focus on creating wealth
- Stay on track with efficient systems
- Make yourself and time with your family a priority

- How to Get Organised and Have a Life!

What Client's and Participants Are Saying:

I have really started to implement the things that you spoke about & I've slashed about 20 hrs out of my office time per week.

I'm now getting a family life & enjoying I know I can streamline things a little more & save a bit more time but I really feel I'm now heading in the right direction (and actually heading SOMEWHERE, rather than just chase my tail) Again, many thanks.

David Draper, Ever clear Water Coolers

Excellent presentation! Lorraine's information is focused, easy to understand and implement. What I have already put into place has given me great results in my accounting practice.
